

FUNDS FOR COMMUNITY PROJECTS

Denholm & District Community Council (D&DCC) is likely to receive in the next few months substantial funds in support of projects which are of benefit to the Community.

Funds will be in the form of grants made from the Langhope Rig Windfarm Community Benefit Programme.

Projects should be wholly for the benefit of the local community, either over the entire D&DCC area, or within Denholm Village, or within any of the associated communities such as Minto, Bedrule, Cavers or the like.

Proposals will be classed as Micro Projects with a cost of up to £500, or Major Projects with a cost greater than £500.

All members of the community are strongly encouraged to consider any project(s) they would like to propose for funding, and to inform the D&DCC accordingly.

Anyone wishing to propose a project would be welcome to attend the forthcoming regular D&DCC meeting at the Village Hall on **Wednesday 17 August, at 7.00 pm**, or at any future D&DCC meeting.
